Eriez® Announces Promotion of Dan Zimmerman to Director of Business Development

Erie, Pa. — Eriez®, world authority in advanced technology for magnetic, vibratory and inspection applications, announces that Dan Zimmerman has been promoted to the new position of Director of Business Development at Eriez Headquarters. Zimmerman will report to Charlie Ingram, Vice President of Sales and Marketing.

Ingram says, “Dan was instrumental in Eriez’ recent, successful acquisition of Maumee, Ohio-based Hydroflow® Filtration Systems and SED Fluid Recycling Equipment. He will now take on the leadership in developing this business, including global sales and marketing initiatives as well as coordinating the integration of Hydroflow’s engineering and production in Eriez’ systems and facilities.” According to Ingram, Zimmerman will also retain his overall responsibilities in managing Eriez’ service and repairs support as well as Eriez’ sales efforts in the Metalworking

Markets, including field sales management of Eriez’ U.S. Metalworking Sales Representatives.

Prior to his promotion, Zimmerman served as Manager-Sales/Service Support, as well as Market Manager-Metalworking at Eriez World Headquarters. Zimmerman is a graduate of Gannon University with a Bachelor’s Degree in Finance. He also holds a Master’s Degree in Business Administration from the University of Pittsburgh.

Ingram says, “We are delighted to recognize Dan’s hard work and achievements with this promotion.” He adds, “Dan provides critical insight and leadership that will help Eriez continue to grow and better serve our customers through a broader offering of products and solutions.”
