Eriez® Announces Promotion of Kloecker to Manager, Metalworking Distributor Sales

Erie, Pa. — Eriez® announces the promotion of Andrew Kloecker to the position of Manager, Metalworking Distributor Sales. Kloecker will report to Dan Zimmerman, Director of Business Development.

Kloecker previously had served as a Technical Sales Representative. In his new role, Kloecker will oversee Eriez' Metalworking distributor network and support Eriez representatives in the implementation of distribution strategies for sales growth of Eriez equipment to the Metalworking market.

“The recent acquisition of Hydroflow® Filtration Systems and Fluid Recycling Equipment presents a significant opportunity to further develop our distributor network and increase the sales of these and other Eriez products to the metalworking market,” says Zimmerman. “Andy’s background in distributor sales and his experience at Eriez make him well-suited for this new and exciting challenge.”

According to Eriez, in addition to Kloecker’s new responsibilities, he will continue to support the sale of all Eriez products to the Metalworking market through all sales channels. Zimmerman explains, “Andy will continue to work closely with distributor, OEM and end-user accounts.”

Eriez is recognized as world authority in advanced technology for magnetic, vibratory and inspection applications. The company’s magnetic lift and separation, metal detection, x-ray, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, recycling, mining, aggregate and textile industries. Eriez manufactures and markets these products through ten international facilities located on six continents. For more information, call toll-free (888) 300-ERIEZ (3743) within the U.S. and Canada.
